BOTH WANT DECISION

ing Down to See Bout at Saltair Monday.

Poor train connections in the south prevented Matty Baldwin from reaching. Salt Lake yesterday for his ten-round bout with "Fighting Dick" Hyland at Saltair Monday night. A telegram from a Alee A. McLean, Baldwin's manager, was received hast night by Promoter Harry Heagren stating that they would arrive here about noon today. McLean says that Baldwin is in good shape.

Downing, who is to wrestle Mike Yokel goes on the road every morning and works out in the San-Gym every after noon. He will go on the mat weighing about 185 pounds. While Yokel will weigh 159 pounds. Hyland is in great condition for his contest with Baldwin. He declared last night that he will insist on a referee whom he knows will be willing to name a winner and a loser in case the bout goos the full distance. He does not want any old draw stuff. Baldwin is known to feel the same way and when they get together to name an official it is not likely that there will be much quibbing. Rawhide Kelly was down from Ogden last might and reports that there will be a large party of both boxing and wrestling fans down from the Junction city Monday night. Heagren has pledged himself to bave the crowd, no matter how large, back in Salt Lake not later than 11.30 o'clock, which will give the Ogdenites time to eatch the late train for home.

Tonight, Heagren will head a party which will go to Saltair to pass on the

for home.

Tonight Heagren will head a party which will go to Saltair to pass on the arrangements made for handling the crowd at the hippodrome there. The big arem has been filled with chairs and the ring has been elevated in the center.
